

PATIENT INFORMATION FORM

Recuperative Care Center
of Los Angeles 

Why am I going to the Recuperative Care Center? So that you can get

- A safe, clean place to rest and continue to recover
- A nurse to help you follow your doctor's orders
- A case manager to connect you with services and counseling
- Support to help you transition back into the community

What can I expect?

- Transportation to the center
- Friendly professional staff to help meet your needs
- A clean bed
- Three healthy meals a day
- Your prescribed medications
- Hygiene supplies
- A caring, supportive environment

How long will I be there? Where do I go afterwards?

- Your doctor will decide in advance how long you need to stay at the Center
- Your case manager will help you explore housing options
